ST. MARY – ST. JOSEPH'S EARLY LEARNING CENTER

The way you look at daycare is about to change.

Not only will your child receive the structured environment along with the newest concepts and developments they need to excel, they will also receive the STEAM philosophy (Science, Technology, Engineering, Arts and Math) as well as literature, music and exercise. We are thrilled to be able to offer an onsite library, computer room, art room, and an inside gym as well as a nurse on site three days a week.

Our stand alone site not only offers the safety and security your child deserves, but it is an actual school setting which will allow for an easy transition once that time presents itself.

We are proud to offer parents the flexibility and assurance they need, while providing an exceptional learning experience that their children deserve. Open year round and licensed for ages 3-12, we offer a full time daycare as well as before and after care for school age children.

Take the time to see the difference...after all, it's your child's future.

For more information, or to register your child, call Tammy at 845-389-4568.

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.
