NEW BEGINNINGS

The parishes of St. Mary's and St. Joseph end their singular lives to become the new parish of St. Mary -St. Joseph. We will merge as two equals in one parish, like a marriage with Jesus as our guide. We become a new Holy family sharing our past and looking to a new future. It will demand of us all the strength, we can give it. Never giving up but always striving to make it better for all. It is the goal, we embark on. My prayers go with you. I hope this past year that God has allowed me to serve you will have strengthened you for this journey. As you journey, help your brothers and sisters in St Mary's in their effort in Making All Things New.

A Note of Thanks

Just a short note of thanks to the wonderful parishioners of St. Joseph's, who have made this a special year of grace in my life. As I move on to a new role in God's plan, I hope that I have served you as best as I could have. I know that you had to face changes with my coming and will do so as I leave. I also know that God will be guiding us both for the good of his church. The challenges that lie ahead can only be met with a constant willingness to question and seek the truth. This will bring change in the lives of all; we come in contact with on the journey. Never give up and always seek what is yours as God's people.

I will be praying for you and please do the same for me.

With all of God's Blessing and Many Thanks.

Sincerely in Christ,
Fr. John Kearney
